A private, invitation-only circle for those committed to creating opportunity.

Building Opportunity. Creating Impact. Leaving A Legacy.

Built From Home was created to celebrate people who have built something meaningful from the ground up.

Entrepreneurs.

Leaders.

Founders.

Creatives.

Changemakers.

Individuals who refused to let their circumstances define their future.

As BFH continues to grow, we are inviting a select group of leaders and supporters to become founding members of the BFH Patron Circle.

This is more than a sponsorship opportunity. It is an opportunity to invest in a movement.

WHY THE PATRON CIRCLE EXISTS

Many talented individuals never receive the visibility, opportunities, or recognition they deserve. BFH exists to change that.

The Patron Circle helps us:

Create Opportunities

Open doors for talented entrepreneurs and creatives who may otherwise go unrecognised.

Increase Visibility

Shine a light on stories of resilience, innovation, and impact that deserve to be heard.

Expand Our Impact

Grow BFH's reach nationally and internationally, across the UK, Africa, and the diaspora.

Build Future Programmes

Develop year-round workshops, mentorship, and development initiatives beyond the Gala.

Support Emerging Talent

Invest directly in the next generation of self-made entrepreneurs, founders, and leaders.

Strengthen the Ecosystem

Build a connected, supportive community that lifts people across industries and backgrounds.

Our long-term vision is to establish BFH as a year-round platform that creates lasting impact for entrepreneurs, creatives, and community builders.
